AUDION STRETCH WRAPPER

THE NEW GENERATION COMPACT STRETCH WRAPPER

Audion proudly presents the Audion Stretch Wrapper, which belongs to a new generation of machinery to wrap fresh products in a tray or on a plate.

Its strong combination of low price, compact design and easy operation makes this the perfect machine to integrate in the packaging process of contract packers and to use in fresh food sections in supermarkets, butchers, groceries and deli-shops.

“ITS EXCELLENT PERFORMANCE, LOW PRICE AND EASE OF USE MAKES THE AUDION STRETCH WRAPPER AN ASSET FOR THE FRESH FOOD INDUSTRY “

Ergonomic design

The ergonomic design of the Audion stretch wrapper enables a comfortable working position. Also, the wrapper requires little maintenance due to its high quality finish.

Placing a roll of film and guiding it through the machine is very easy because of its light structure.

Furthermore, every step in the wrapping process is very logical, which makes packaging a product very easy. But most important of all, using the Audion Stretch Wrapper results in an attractive and presentable product.

Technical specifications	ASW 450
Dimensions (l x w x h) mm	621 (738 include support) x 510 x 130
weight	7 kg
Max. packaging capacity	4 per min.
Film material	PVC / PE
film thickness	10 micron
Max. film roll width	450 mm
Power supply	230 V - 1 ph- 50/60 Hz
Power consumption	250 W
IP value	IP20
Low Voltage Directive, EMC Directive, Standards	2006/95/EC, 2004/108/EC, NEN-EN-60204-1
